

**PROBATE COURT OF TRUMBULL COUNTY, OHIO
JAMES A. FREDERICKA, JUDGE**

ESTATE OF _____

CASE NO. _____

ELECTION OF SURVIVING SPOUSE TO TAKE UNDER WILL
[R.C. 2106.05]

I, decedent's surviving spouse, elect to take under decedent's Will.

I understand that by electing to take under the Will, I take under it alone as to property governed by it, unless it plainly appears from the Will that the provisions in it for me are in addition to an intestate share of the estate.

I further understand that had I elected to take against the Will, I would be entitled to one-half of decedent's net estate, unless there are two or more of decedent's children or their lineal descendants surviving, in which case I would be entitled to one-third of decedent's net estate.
